

About Institution

MRCET was established in the year 2004 with the aim of providing quality education to all sections of the society. The college is an UGC AUTONOMOUS – INSTITUTION since 2015 and **accredited by NBA, NACC** approved by the **AICTE** and is affiliated to **Jawaharlal Nehru Technology University, Hyderabad**. Our College offers B.Tech courses in Aeronautical Engineering, Mechanical Engineering, Information Technology, Computer Science Engineering, Electronics and Communication Engineering, Electrical & Electronic Engineering and M.Tech courses in Aerospace Engineering, Machine Design, Thermal Engineering, Computer Science and Engineering, Systems and Signal Processing and VLSI. The college has been Sanctioned R & D center by JNTUH for admitting PhD students in ECE stream.

About Department

The Department of ANE was started in the year 2004. It has achieved 4 Gold Medals from JNTUH. Faculty is carrying out R & D projects funded by central government agencies like MSME, IGBC and INHOUSE projects. The Department encourages students to participate in various competitions like SAE, SMART INDIA HACKTHON, VISHWAKARMA AWARDS (AICTE) etc. We have been organizing Technical Fest, Workshops and International Conference (ICAB-2019) Scopus indexed journal publication consistently every year. Department aim is to bring out intellectually alert, scientifically progressive, globally competent and dynamic young Engineers. The department also focuses on developments and current applications in the field of Aeronautical Engineering.
